

# THE SOVEREIGN METABOLIC COUNCIL

## A DIPLOMATIC PRIVATE DINNER ON THE TEC-X PROTOCOL

Palm Jumeirah, United Arab Emirates • 4 February 2026

### COUNCIL SUMMARY

This dinner convenes sovereign delegates, ministers, and institutional principals for private negotiation of the TEC-X metabolic reserve architecture. Participation is strictly limited due to the sensitive nature of state-level asset frameworks and the strategic implications for the Northern Eurasian metabolic economy.

The session aligns with the strategic direction set in the TEC-X 2035/2050 bioeconomy horizon, establishing the foundational governance and allocation frameworks for sovereign metabolic capital.

### COUNCIL PROTOCOL

Date	4 February 2026	Access Tier	Sovereign (Invitation Only)
Time	19:30 – 22:00 GST	Contribution	USD 75,000

#### COUNCIL AGENDA

- Formal presentation of the TEC-X sovereign architecture
- Metabolic reserve design and cross-border alignment
- Strategic dialogue on governance frameworks
- Allocation pathways and sovereign commitments
- Closed-door Q&A with Steven Alber and KRYONIS core architects

### ACCESS NOTICE

There will be no livestream or public broadcast.  
Access is extended exclusively via diplomatic protocol.

This communiqué does not constitute an offer of securities or financial products.
